ABOUT ME

PERSONAL SUMMARY

To my mind, I consider myself a collaborative, optimistic, and responsible person in all the areas in my life

CURRENTLY

Currently I am studying Software Engineering and I work as a Freelance developer Full Stack and I love learn about new technologies for software development

HOBBIES

PROGRAMMING

Software development is one of the most exciting topics for me. I like to delve into the field of programming, learning new things increasing my knowledge, and using the best practices

VIDEO GAMES

One of the things that I like the most and that amuse me is playing video games and thanks to this I became interested in the world of programming, although I am not currently dedicated to developing this.

STUDIES

HIGH SCHOOL EDUCATION

Institución Educativa Concejo de Medellín (from sixth-grade to eighth-grade)

Institución Educativa José María Bernal (from ninth-grade to eleventh-grade)

UNIVERSITY DEGREE

I am currently studying for this degree:
Software Engineer (seventh semester)

Universidad Autónoma Latinoamericana
